GEORGE B. DANIELS, District Judge:

The oral argument scheduled for November 10, 2020 shall occur as a videoconference using the Skype platform.

To optimize the quality of the video feed, only the Court, Plaintiff's counsel, Movant's counsel, and Defendants' counsel will appear by video for the proceeding; all others will participate by telephone. Due to the limited capacity of the Skype system, only one counsel per party may participate. Co-counsel, members of the press, and the public may access the audio feed of the conference by calling (917) 933-2166 and entering the conference ID 349908000.

To optimize use of the Court's video conferencing technology, all participants in the call must:

1. Use a browser other than Microsoft Explorer to access Skype for Business;
2. Position the participant's device as close to the WiFi router as is feasible;
3. Ensure any others in the participant's household are not using WiFi during the period of the call;
4. Unless the participant is using a mobile telephone to access Skype for Business, connect to audio by having the system call the participant;

If there is ambient noise, the participant must mute his or her device when not speaking.

Further, all participants must identify themselves every time they speak, spell any proper names
